

Safe Environment Self-Audit Workshop

Office of Child and Youth Protection

Our diocese is audited annually for USCCB Charter Compliance to ensure that we take the most appropriate measures to guarantee a safe environment for our children and all who participate in our church.

The gathering of information for our annual Charter Compliance Audit takes the collaboration of all diocesan entities. Our office has annually sent out what is called a Safe Environment Self-Audit Report Form to gather this information. This workshop will review the information needed for this year's Safe Environment Self-Audit Report Form, where to access that information, and when and how to submit the information to our office.

This workshop is intended for those assigned by the parish pastor, administrator or school principal to complete the Safe Environment Self-Audit Report Form. **Please join us for our upcoming Safe Environment Audit Workshop.**
